

WEBSITE PACK · FIXED-PRICE

A multi-page site built to **last years, not rebuilds.**

A multi-page, schema-driven authority site — the same stack this site runs on. Non-technical staff can update copy safely, and it's built so a publishing loop drops straight in. Full Brand Pack and SEO baseline included.

WHO IT'S FOR

Consultancies, allied health, and professional services that win work on credibility and need a proper multi-page site — one that's safe for non-technical staff to update and won't need rebuilding every couple of years.

WHAT YOU GET

- **Multi-page, schema-driven**
Add a page by adding a section; nav and Google signals self-wire.
- **SEO + structured data baseline**
Findable in Google and readable by AI answer engines.
- **Full Brand Pack included**
The complete \$1,500 identity kit, at no extra cost.
- **Safe for your team to edit**
Non-technical staff update copy without breaking anything.
- **Ready for the Blog Engine**
Insights section and schema wired — adding it later is a drop-in.
- **Yours to keep**
No per-seat licence, no lock-in.
